Scams involving online shopping package pickups at convenience stores are common. Please be vigilant

Hi! I would like to pick up a package.

The name of the sender of the package is listed as "not the seller." These are usually package pickup scams. Are you sure this is something you ordered?

I'm not really sure, but I received a text message saying that a package of mine had arrived and I could pick it up.

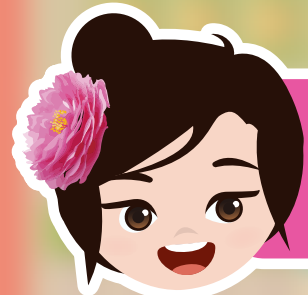

If you're not sure you actually bought this item, we strongly suggest you return it.

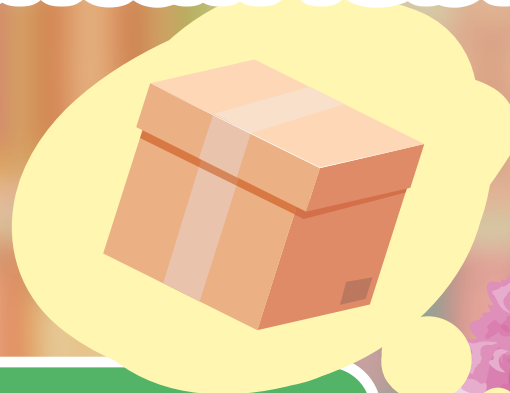

Scammers use convenience store package pickup services to scam victims. If the name of the sender includes the phrases "not the seller" or "sent on behalf of the seller," it is likely a scam. When picking up online shopping packages, be sure to confirm your order history to avoid being scammed.

Hãy cảnh giác thủ đoạn Không đặt hàng vẫn được giao

Xin chào,
tôi muốn lấy hàng.

Người gửi đánh dấu “không phải người bán” trên gói hàng này. Loại gói hàng này thường là gói hàng lừa đảo. Bạn có chắc là mình đã mua sản phẩm này không?

Tôi cũng không chắc, nhưng tôi đã nhận được tin nhắn đến nhận hàng.

Nếu bạn không thể xác nhận rằng bạn có mua sản phẩm này, tôi khuyên bạn không nên nhận sản phẩm đó và hãy để công ty vận chuyển trả lại!

Những kẻ bất hảo thực hiện hành vi lừa đảo mua sắm trực tuyến thông qua công ty vận chuyển. Nếu người gửi ghi chú “không phải người bán” hoặc “gửi dùm” ..., thì phần lớn đó là gói hàng lừa đảo. Bạn nên xác nhận hồ sơ mua hàng của mình khi lấy hàng mua trên mạng, để tránh trở thành nạn nhân bị lừa đảo.

พบการหลอกให้รับพัสดุที่ร้านสะดวกซื้อบ่อยครั้ง โปรดเพิ่มความระมัดระวัง

สวัสดีค่ะ ฉันต้องการรับพัสดุ

พัสดุชิ้นนี้ ชื่อผู้ส่งระบุว่า
“ไม่ใช่ผู้ชาย” ปกติแล้วพัสดุแบบนี้
เป็นการหลอกลวงทั้งนั้นเลย คุณแน่ใจ

ฉันก็ไม่ค่อยแน่ใจ แต่ได้รับข้อความแจ้งให้มารับพัสดุ

หากไม่แน่ใจว่าได้ส่งชื่อสินค้า แนะนำว่าไม่ต้องรับพัสดุ ให้บริษัทขนส่งตีกลับพัสดุไป

มิจฉาชีพอาศัยช่องทางการรับพัสดุที่ร้านสะดวกซื้อมาหลอกลวงผู้บริโภค
หากชื่อผู้ส่งระบุว่า “ไม่ใช่ผู้ชาย” หรือ “ส่งแทน” ส่วนใหญ่เป็นการหลอกลวง
แนะนำว่าการรับพัสดุต้องตรวจสอบบันทึกการขายการสั่งซื้อสินค้า
ออนไลน์ของตนเองด้วยเพื่อป้องกันตกเป็นเหยื่อของมิจฉาชีพ
