Beware! Violations of the Narcotics Hazard Prevention Act can impact your right to work in Taiwan.

Case

Questioned by the police A-Ming admitted that he bought NT\$1,000 worth of amphetamine from a fellow countryman introduced to him by a friend.

Analysis

- As A-Ming was found in possession of illegal narcotics he is in violation of the Narcotics Hazard Prevention Act. In addition, he was clearly aware such narcotics are illegal and despite claiming they were for personal use still made the purchase.
